If Conwal & Associates Pty Ltd ceases to provide a VET course of study, Australian Council for Private Education will send a VET student enrolled in the VET course of study a Written VET Tuition Assurance Offer (the Offer) advising the VET student of the options available under the VET tuition assurance requirements. The Offer will include directions that the VET student must follow in order to notify Australian Council for Private Education of the choice they have made for each affected VET unit. Australian Council for Private Education will provide this Offer within twenty Business Days after it knows, or should know by reasonable enquiries that the Conwal & Associates Pty Ltd has ceased to provide the VET course of study.

For the purposes of VET FEE-HELP, all courses offered by Conwal & Associates Pty Ltd in accordance with the course requirements of clause 45 of Schedule 1A of the Higher Education Support Act 2003 are covered by the Australian Council for Private Education (‘the Scheme’) as part of Conwal & Associates Pty Ltd membership of the Scheme.

A VET student may choose either:

The VET Course Assurance Option:
Under the VET course assurance option, a VET student will be offered a place in a similar VET course of study by Australian Council for Private Education. If the VET student accepts this option, Australian Council for Private Education will make all necessary arrangements to ensure a VET student is able to enrol with the Second Provider in the similar VET course of study.

This offered VET course will lead to the same or a comparable qualification without any requirement on the part of the VET student to pay the Second Provider any VET tuition fee for any replacement VET units (that is, units that the VET student had commenced but not completed because the VET course ceased to be offered). A VET student will receive full credit from the Second Provider for any VET units of study successfully completed at Conwal & Associates Pty Ltd.

The Second Provider nominated by Australian Council for Private Education may have different VET tuition fees to the fees the VET student would have paid for VET units of study which were part of the VET course of study the Conwal & Associates Pty Ltd ceased to provide but which the VET student had not yet started studying.

A VET student is not obliged to enrol in a VET course of study with a Second Provider offered by Australian Council for Private Education under the VET Course Assurance Option. However, if he/she enrols with any other VET provider there is no obligation on that VET provider to offer full credit transfer for the VET units of study completed with the Conwal & Associates Pty Ltd or to offer replacement VET unit/s free of charge.

OR

The VET Tuition Fee Repayment Option
Under the VET Tuition Fee Repayment Option, Australian Council for Private Education undertakes to pay the VET student the total of any up-front VET payments already paid by the VET student for any VET units of study the VET student has commenced but not completed because the VET course ceased to be offered. VET students selecting this option will also have their FEE-HELP balance re-credited for the uncompleted VET units.
